

Pre-Moistened Premium Spunlace

Adult Wipes

Pro Advantage[®] Adult Wipes are ultra-soft premium spunlace cleansing washcloths in low-profile, easy-to-store tubs or soft packs. Low-profile tub easily fits in most drawers and resealable lids preserve moisture in the packs. Wipes are pre-moistened with a hypo-allergenic, alcohol-free formula with lanolin and aloe. This formula softens skin without a need for rinse and towels and also prevents skin from drying out.

Generously-sized 9" x 13" premium spunlace material is softer on the skin, less bulky and more cloth-like than other materials allowing for more thorough cleansing, particularly between skin folds, with less chance of tearing.

FEATURES
