

Latex-Free

Tapes

Paper Tape

General purpose tape perfect for fragile skin. Ideal for securing tubing, ostomy pouches and facial dressings. Tears easily for convenient application. Highly porous for maximum breathability. Available in 1/2, 1, 2 and 3 inch widths.

Cloth Tape

Strong woven construction make this durable tape ideal for securing wound dressings, tubing, and drainage lines. Tears easily for convenient application. Moderate stretching ability to accommodate movement and swelling. Breathable. Available in 1/2, 1, 2 and 3 inch widths.

Transparent Tape

Ideal for securing I.V. tubing and catheters, primary wound dressings, tubing and drainage lines. Micro perforation allows for bidirectional tearing. Easy to tear and stretch. Highly porous for breathability. Water resistant. Available in 1/2, 1, 2 and 3 inch widths.
